ABOUT

I am Front-End developer and I'm finding a programming job in a company that supports my growth and encourages learning. I enjoy discovering new things and have experience working well in teams.

EDUCATION

Mangaldeep Vidhyalaya   Ahmedabad, Gujarat
GSHSEB   *July. 2017 – March 2019*

President Science College   Ahmedabad, Gujarat
Bachelor of Science Degree in Chemistry - GU   *July. 2019 – OnGoing*

EXPERIENCE

Full Stack Developer - Intern   July 2023 – Present
The Special Character PVT LTD.   *Ahmedabad, Gujarat*

- During my internship, I focused extensively on Full Stack Development, refining my abilities in both web development and implementing essential features. I played a crucial role as a front-end developer, making contributions to a project.
- Collaborated with other developers and designers using Git and GitHub to manage code versions and resolve conflicts.
